

HOME-START

is taking part in this year's Plane Pull to raise funds to support our work with vulnerable families in the Meon Valley

10TH DORSET PLANE PULL
MONDAY 27TH AUGUST 2018 – 10AM ONWARDS
AT BOURNEMOUTH AIRPORT

The plane pull organisers say: "Since our inception in 2009, the event has successfully raised over £130,000 for a variety of local and nationally recognised charities. The day asks teams of 20 to pull a 35,000kg Boeing 737 airliner a distance of 50 meters and as an extra challenge, in the fastest time.

2018 sees us reach an important milestone, our 10th Birthday!"

You can find information about the event at www.planepull.co.uk

WILL YOU JOIN HOMESTART'S TEAM?

We need 20 fit, strong, healthy people to make a commitment to be in our team, get some sponsorship, turn up on the day and pull the plane.

We will provide you with sponsor forms and can help you set up a MYDONATE page linked to our charity account so that your sponsors can easily make online/mobile donations – we're asking each person to aim for a target of £250 each. How fantastic if you could raise £5000 between you.

PLEASE CONTACT US: meon.valley@hshants.org.uk or 01329 835936
To donate online go to: <https://mydonate.bt.com/events/hsmvplanepull/458776>

SMALL PRINT: Home-Start Hampshire Registered Charity 1144661. We will get detailed instructions from the event organisers nearer the time. There will be a waiver form to sign confirming you are taking part at your own risk and a declaration that you are fit enough to undertake the pull. On the day you will need to provide photo ID and wear appropriate footwear (trainers are suitable). We will be assigned a 'pull time' and the whole team will need to be present to sign in one hour beforehand. Spectators are very welcome – there will be stalls, live music, bouncy castle, BBQ and ample parking.
