Home-Start Hampshire

25th May 2019, Meridian Centre Havant

Handbag Sale

We are starting to collect new and nearly new handbags for this event and would appreciate you asking your friends and family if they have any good condition bags to donate to us.

It costs us £1300 per year to support a family and we are currently supporting over 140 families in Hampshire, 45 of those in Havant.

Who are Home-Start?

We have been supporting families across Havant Borough for over 30 years. By supporting families early on, we give children the chance to grow up with prospects rather than problems. Home-Start Hampshire works to help marginalised families build better lives for their children, with a focus on families who are socially excluded and not engaging with other services. We provide trained Home-Visiting volunteers to support families to grow in confidence and regain their independence.

Where can I donate my bags?
