Who are Home-Start?

We have been supporting families across Havant Borough for over 30 years. By supporting families early on, we give children the chance to grow up with prospects rather than problems. Home-Start Hampshire works to help marginalised families build better lives for their children, with a focus on families who are socially excluded and not engaging with other services. We provide trained Home-Visiting volunteers to support families to grow in confidence and regain their independence.

Where can I buy my tickets?
